

Hello Everyone!

The library is overflowing with new children's books, new junior books, and new adult fiction and adult non fiction books. The shelves have been reorganized to allow for easier access and the library feels bright. Our new backroom will be open and ready for groups by the end of June, with cabinets and a new little kitchen. All things June mean that we are spending more time thinking about our ecosystems within and outside the library. We have two special programs below with well-known naturalists and wildlife experts - come join us!

Our summer program, "Building Community" begins the last week in June. In July we will be hosting a community BBQ with a brownie sundae. All the July information and summer program brochure will be out very soon.
